Fred -

I talked D. [redacted] on telephone about this today - He was concerned that G.P. acted semi-laterally on this & will discuss with Emmet Echols & advise me later - 12 July.

I suggested they consider keeping folder intact & in our Records Center.

Talked with [redacted] He seems to feel splitting folder is a good idea. I asked if there was any objection to the folders being identified as those of former CIA employees. [redacted]

[redacted] He will have [redacted] call me. fgh
